FIREWORKS PREVENTION ORDER – UTAH BLM LANDS

United States Department the Interior

Bureau of Land Management

Order No. UT910-11-001

Pursuant to regulations of the Department of Interior, 43 CFR 9212 fireworks (as defined below) are prohibited on Bureau of Land Management area land, roads, waterways, and trails, until rescinded by the Utah Bureau of Land Management State Director. Acts prohibited include possession, discharging, or using any kind of fireworks, tracer ammunition, other incendiary devices, or explosives of any kind any location on BLM lands in Utah.

Definition: Fireworks are devices designed primarily to produce visible or audible effects by combustion, deflagration, or detonation. Fireworks include, but are not limited to, firecrackers, sparklers, aerial shells, and other display pieces made of pyrotechnic composition.

The following persons are exempt from the order:

All other fire restrictions, or necessary exemptions to the restrictions, will be handled through local “permits” issued by District Managers for that purpose.

Area Description:

All **BLM** administered lands in the State of Utah. This order is effective 12:01 a.m., 1st day of July 2011 and will remain in effect until October 31, 2011.

Individuals violating this order can be subject to fines and associated fire suppression and rehabilitation costs. 43 CFR 9212.4 This order will supersede and rescind all previous fire prevention orders.

Information concerning these fire restrictions may be obtained at www.utahfireinfo.gov

State Director
